The Gilda's Club South Florida mission is to ensure that all people impacted by cancer are empowered by knowledge, strengthened by action, and sustained by community. Gilda's Club was founded in memory of comedian Gilda Radner, whose dream was to develop a community where anyone with cancer would receive the kind of support she had found while living with the disease.

After becoming the second affiliate of the national Cancer Support Community, Gilda's Club South Florida opened its signature red doors in 1997. Founded by two families in memory of their daughters to provide that caring community in our local tri-county area, today, we are the largest provider of *free psychosocial cancer support* in South Florida. Annually serving more than 4,500 adults and children impacted by cancer, programming includes education, support groups, referral services, healthy living classes, as well as cancer prevention, transition and survivorship programs.

We are an affiliate of the Cancer Support Community, the largest network of cancer psychosocial support services. There are 49 affiliates in total, and we are licensed by Cancer Support Community.

### **The Culture**

Gilda's Club of South Florida is an organization of caring, educated and diverse individuals. We work hard to fulfill our mission and support each other in providing solutions for our members needs. Our collective talents allow us to rise to the top in our industry. We embrace the future by investing in each other. Community is stronger than cancer.

### **The Opportunity**

Gilda's Club South Florida (GCSF) is expanding, serving more cancer patients and their families, expanding service delivery and promoting health equity initiatives. As we embark on a capital campaign, the Support Group Facilitators will help grow the organization's services.
